

# Serve the Sierra: become a Sierra Nevada AmeriCorps Partnership Member!

**We are seeking enthusiastic, conservation-minded people to devote a year of service to protect natural resources and sustainable communities in the Sierra.** During your year of service, you will receive skills and technical training, mentorship with outstanding environmental leaders and receive an education award upon successful completion of service.

**Responsibilities & Projects** will include watershed restoration and assessment, environmental education, and volunteer recruitment and support. Members may spend their time monitoring stream flow, removing invasive species, leading field trips, organizing volunteer appreciation days, replanting native species, teaching elementary science classes about the water cycle, coordinating highway litter pick-ups, building trails, attending GIS classes, and participating in a wide variety of other activities. A living allowance and health care benefits are provided during your service term, as well as an end of service education award and loan forbearance.

**Placement Locations:** AmeriCorps Members will be placed with an environmental organization or agency in the Sierra region. Members will be based in iconic Sierra locations like South Lake Tahoe, Bishop, Nevada City and other special Sierra places.

Training begins mid-October 2016 – applications are due by **July 27, 2016**. For more information and to apply online please visit us at <http://sierranevadaalliance.com/programs/sierra-nevada-ameri-corps-partnership/join/> or call us at 530.542.4546 x 705.
