

Grow Your Own!

TERC's Tahoe Plant Workshops will focus on growing vegetables in Tahoe. Join TERC and the Lake Tahoe Master Gardeners to learn about different techniques to grow specific vegetables and take home plants. All workshops and plant giveaways are FREE and will occur over four consecutive Mondays in Tahoe City with alternative locations in Truckee, Incline Village, and South Lake Tahoe. Early registration is not required but recommended, visit the TERC website for more information.

The Tahoe City Demonstration Garden and historic hatchery building is open 7 days a week, 8am-6pm from Memorial Day through Labor Day for self-guided tours (Saturdays, 10am-2pm) for docent-led tours). This 3-acre garden focuses on encouraging native plant gardening and utilizing citizen science to monitor a plant's response to changes in climate.
