Become a Lake Tahoe Expert:
UC Davis Docent Training 2015

Participate in a four-part training program to develop your local Lake Tahoe presentation skills. Training includes general Lake Tahoe information, environmental issues, geology, history of research, state of the lake, ecology and food web, and prepares volunteer docents to share their love of Lake Tahoe at the UC Davis science education centers in Incline Village and Tahoe City.

Training includes all Docent Program materials, guest speakers from UC Davis, UNR, DRI, research vessel time on the lake, and a social happy hour. Sign up by contacting Carley O’Connell at coconnell@ucdavis.edu or call (775) 881-7560, ext. 7474.

The Tahoe Environmental Research Center (TERC) is a global research leader providing the science for restoring and sustaining Lake Tahoe and other treasured lakes worldwide. TERC educates the next generation of leaders and inspires environmental stewardship.
