

Become a Local Lake Tahoe Expert

UC Davis Docent Training June 17, 19 and 21, 2014

Participate in a three-session training program to develop your local presentation skills. Training includes general Lake Tahoe information, environmental issues, geology, history of research, state of the lake, ecology and food web, and prepares volunteer docents to share their love of Lake Tahoe at the UC Davis Science Education Centers in Incline Village and Tahoe City.

Training includes all Docent Program materials, guest speakers from UC Davis, UNR, DRI, research vessel time on the lake, and a social happy hour.
