Now accepting applications for the 2015 Youth Science Institute program offered through the UC Davis Tahoe Environmental Research Center

Applications are due Friday, January 2, 2015

Learn about science – Earth, space, environmental, biology, forensics and more
Perform science experiments & field work
Receive community service credit
Hang out with students from other schools
Acquire job skills, lab skills, and resume-building experience
Meet scientists

YSI is held Wednesdays from 4 – 6 p.m. January through May at the Tahoe Center for Environmental Sciences on the campus of Sierra Nevada College in Incline Village, Nevada. For more information, contact: Laynie Saidnawey, Education and Outreach Assistant, (775) 881-7560, ext. 7474 or lsaidnawey@ucdavis.edu
